XENOS Creation at The Grange

Here is a unique opportunity to get involved in the creation of a new work by a great master of dance.

World-class choreographer and dancer Akram Khan is seeking volunteers to experiment on stage for his new production *XENOS* during a creation period at The Grange at Northington.

Individuals or groups above the age of 16 are invited to join a full day of rehearsals on Saturday 25 November.

- There will be no further involvement after the residency at The Grange.
- This is purely on a voluntary basis and travel expenses are not covered. A hot lunch will be provided.
- You don't have to be a dancer. The group will be diverse with people of mixed ability, age, shape and ethnicity.

Saturday 25 November 2017, 10:00 - 16:00

at The Grange, Northington, Alresford SO24 9TG

Akram Khan is considered as one of the most celebrated and respected dance artists today. His highly anticipated new solo *XENOS* premiering in February 2018, will mark his final performances as a dancer in a full-length piece. *XENOS*, meaning 'stranger' or 'foreigner', explores the myth of Prometheus - the Titan who stole fire and gave it to mankind - through the experience of an Indian colonial soldier in the First World War.
